### American Union Party Makes a Move for Special Election.

### Adjourned Convention of 1897 to Meet on Saturday Evening--List of Delegates--"Such Other Business."

At the request of a two thirds majority of the Central Committee of the American Union party, Geo. W. Smith, chairman of the nominating convention of 1897, will call the convention to meet at the Chamber of Commerce hall on Saturday evening at 7:30 o'clock.

The purposes of the meeting are to nominate a candidate for the seat in the Senate made vacant by the resignation of H. W. Schmidt, and to transact such other business as may come before the convention. It will be remembered that the convention adjourned subject to the call of the chair. This was done so as to avoid the trouble of calling the primaries together in just such an emergency as the present.

Therefore the convention will be constituted of such delegates in the Third Senatorial District as sat in the former convention.

The delegates are Geo W Smith, J A Kennedy, J H Fisher, S B Rose, Robt Grieve, J S Martin, F S Dodge, Walter McBryde, B F Dillingham, F A Hoemer, W H Hoogs, E F Bishop, J A McCandless, E Benner, C B Gray, Julius Aech, Geo N Day, Wm H-nry, R McKeague, W K Rathbun, An-

drew Cox, Judge Kekahuna, W J Lowrie, E B Mikalemi, J A Low, W R Sims, L D Kellipio, G W Farr, J M Poeppoe, G R Carter, O Bergstrom, J C Cluney, Ed Towse.

#### Change at the Orpheum.

"The Private Secretary" will have the boards at the Orpheum this evening. This is one of the best known of American plays and abounds in side splitting situations. No matter where played it is always greeted by full houses.

The principal character in the hands of Mr. Walters cannot fail to be all that it should be, and a pleasant evening is in store for patrons of Honolulu's popular place of entertainment. The last night of "Sidelacked" brought out a fair audience a large contingent of the Oregon men being present. Ivanhoe Allen will sing several new songs which are now all the rage in the States. Among them are "I Love You in the Same Old Way," "Because" and "Mama's Little Pumpkin Colored Coon."

The Coroner's Jury in the Herrington case was called yesterday but was postponed until today. It was found that one of the jurors had to serve on a jury so there was further postponement until Friday.

## YOU'RE MISTAKEN!

We awoke to a realizing sense of your "pilikia" months ago, and have since been systematically at work searching through lines of samples, as we could procure them, (any old thing won't satisfy us when buying), for just what we desired. At last we have accumulated a stock which we are willing to submit to you. Pure, delicious teas they are, in the old-fashioned lead-lined chests.

Teas that we'll sell to you by honest sixteen-ounce weight.

Teas that you may examine in broad daylight before you hand your money over.

Teas that have never been "manipulated" since they left the drying pans.

#### HERE'S THE LIST:

**GUNPOWDER.**—The kind that Grandmother has such pleasant recollections of.

**BASKET-FIRED JAPS.**—"Spider Leg" types—pure, uncolored teas.

**PAN-FIRED JAPS.**—Commonly called "Green Teas."

**YOUNG HYSONS.**—Another of the "Green Tea" types.

**ENGLISH BREAKFASTS.**—(Congous). Richest, heaviest, most bracing of all Teas. You'll find ours perfect.

**OOLOONGS.**—From Formosa, one of the banner tea districts of the world.

**CEYLONS.**—A line that's making a name for itself in the world.

**ASSAMS.**—(Orange Pekoes). Teas of India. Similar to the Ceylons, though of flavors peculiarly their own.

**BLENDS.**—Our "Waverley Blend," from fanciest blacks; "Premium Blend," from fanciest blacks and greens; and "Guaran-Tea Blend," from standard blacks, are scientific combinations of the most delicately flavored of the above-mentioned varieties, and teas which we guarantee to be of greatest strength and most delicate flavors obtainable, and, above all, STRICTLY PURE.

Drop in, examine our goods, (test them, if you like, AT OUR EXPENSE), make the most searching inquiry into our methods, then decide where you wish to trade. Your neighbors tried it, AND THEY'RE ON OUR LIST. Think it over.

## FOR HONOLULU PARKS

### "Citizen" Makes Plea for Employment of Landscape Gardener.

Could be Had for \$100 a Month—Give Attention to Matters for Which Commission Has No Time.

Mr. Editor:—Would it not be advisable for the Honolulu Park Commissioners, to employ the services of a professional landscape gardener for the purpose of planning and laying out the various parks and gardens placed under their control and one who could, amongst other tricks of his profession, advise them as to the varieties of trees, shrubs and plants suitable for the peculiar nature of the soil at the Kapiolani Park?

Golden Gate Park in San Francisco was at one time, and that only a very few years ago, nothing but an arid and sandy desert, and had it been left entirely to the mercies of amateurs without the assistance and advice of professional men, would California be so proud of its magnificent park as it is at this day?

The landscape gardener, the arboriculturist and the florist are the ones who have transformed these sand dunes into what is considered one of the finest parks in the United States of America. The San Francisco Park Commissioners appreciate this fact and are willing to leave the matter of planning and laying out of their park to their superintendent, who is himself a professional landscape gardener and arboriculturist, and simply confine their own work to financial and executive matters.

The Honolulu Park Commissioners I understand were appointed by the Government to control all the parks, squares and gardens in and around this city and are to be responsible to the public for the proper management of such places. I perfectly understand the fact that their positions are honorary (all such positions are, the world over) and too much should not be expected of them; but it seems to me, because of their lack of professional experience in such matters, that for that very reason, before deciding what to do in the way of dooming avenues to the axe, laying out drives and pathways, making lawns, constructing arbors, planting trees and shrubs and such other work as pertains to a well conducted park, that the aid of an experienced professional landscape gardener and the employment of a professional arboriculturist and florist would save them considerable trouble and the public be the gainers by having parks and gardens such as we see in other countries.

It is no discredit to the Honolulu Park Commissioners (Messrs. Thurston, Cunha, Brown, Irwin, Huatace and Carter) who are all good business men and estimable citizens, that they are lacking in the education and experience of what is required to plan and make a perfect garden or park. Few

## AT CHAMBER OF COMMERCE

### Resume of Work Done at this Morning Session.

Stores Asked to Close at 1 p. m. Tomorrow Out of Respect for Death of Judge Widemann—A Letter of Condolence.

At a meeting of the Chamber of Commerce this forenoon, the following were present: J. B. Atherton, C. M. Cooke, H. E. Waity, W. M. Giffard, W. W. Hall, F. A. Schaefer, F. Waterhouse, J. J. Egan, L. M. Vettleson, H. W. Schmidt, John Ena, F. J. Lowrey, H. A. Parmelee, H. Focke and J. G. Spencer.

The Chamber passed a resolution to the effect that all business houses close at 1 p. m. tomorrow out of respect for the death of Judge Widemann.

G. J. Waller and J. P. Cooke were elected members. The following report of the Committee on Harbormasters and Pilots was approved and a copy of the same ordered to be sent to the Minister of the Interior.

Your special committee appointed "for the purpose of inquiring into the duties of the harbormaster and pilots of the port and making recommendations respecting the duties of these officials, and respecting any other matters concerning the shipping in this harbor, which may seem proper to them," beg leave to submit the following recommendations:

That an assistant to the harbormaster be appointed, for the purpose of moving vessels in the harbor, and, in case the assistant be engaged, that the masters of vessels be empowered to move their vessels to such berth or moorings as the harbormaster or his assistant shall designate.

That pilots (under the direction of the harbor master or his assistant) be required to moor all incoming vessels and also to take charge of outgoing vessels from such berths as they may occupy when ready for sea.

That the tugboat, whenever available, be employed in moving vessels in the harbor, instead of hauling by lines, as formerly.

That the Government be requested to consider the advisability of extending the Kekuanooa wharf thirty feet in length.

Respectfully submitted,  
W. B. GODFREY,  
J. F. HACKFELD,  
F. M. SWANZY,  
F. A. SCHAEFER,  
C. L. WIGHT.

It might be stated here that an assistant to Captain Fuller, Harbor Master, has already been appointed. He has been in office nearly a month.

Letters from Chas. Wilder, Hawaiian Consul in San Francisco, were read. These were to L. A. Thurston and H. E. Cooper and spoke of the Industrial Exhibition and Agricultural Fair proposed for Honolulu.

The Chamber voted the opinion that this was not an appropriate time to hold such an exhibition.

F. A. Schaefer, J. F. Hackfeld and John Ena were appointed a committee to draw up a letter of condolence to the family of the late Judge Widemann.

H. E. Waity stated that the banks would all close at 1 p. m. tomorrow out of respect for the death of Judge Widemann.

"Konghi Patchoy!"

Konghi patchoy (a Happy and Prosperous New Year). The majority of the Chinese will stop work this afternoon, notwithstanding the fact that official notification came from the Chinese Minister at Washington a short time ago, declaring Friday New Year's Day. The Chinamen here have seen fit to follow the old habit that has been in vogue here since the first Chinese ever came.

## CASE OF MRS. JUNIUS KAAE

### Corporal David Shea Testifies in Her Favor.

Defendant Was Dragged on Sidewalk—Was on Way Home to Very Sick Husband—Another Hack Was Near.

The case of Mrs. J. Kaae, charged with obstructing and perverting justice, came up for trial in the Police Court this forenoon and took up the forenoon to about 11 o'clock when Judge Wilcox was summoned to the Circuit Court and a recess was taken until the afternoon.

Akakani, the Samoan officer who arrested Mrs. Kaae, told substantially the same story he did to a BULLETIN reporter the other day.

The defense put on only two witnesses, Mrs. Kaae and Corporal Shea of the Engineers, stationed here. The latter stated that he was on Pauahi street, in the vicinity of the back when Herrington was knocked by Kalana's hack. He heard one of the soldiers standing near, cry out: "Throw that damned kanaka woman out of the back" and then saw the police officer grab Mrs. Kaae by the feet and pull her.

With the assistance of some of the soldiers, he finally got her out on the sidewalk. There was an attempt on the part of some of the soldiers to overturn the hack. Corporal Shea stated that he spoke to the police officer and pointed to another hack standing near by. There was no reason why that one should not have been taken to transfer the injured soldier to the Seaside.

Officer Akakani was certainly rough in his treatment of Mrs. Kaae. He obeyed the orders of the soldiers collected about the hack.

Mrs. Kaae testified that she had refused to leave the carriage when asked, because she was in a hurry to get back to her husband who was very seriously ill. There was another carriage near by and there was no reason why the injured soldier could not be placed in that.

When the police officer finally pulled her out of the hack, he dragged her along the sidewalk and tore her clothes. She refused to stand up when asked to, because she did not intend to make a single move. If it was desired to have her go anywhere, the police would have to take her bodily. The officer could kill her on the sidewalk if he wished to. She would not budge. He had no right whatever to pull her out of the hack when she did not want to get out. She was roughly thrown into another hack and hurried to the police station. There she was dragged inside and then carried below to a cell.

At this point Judge Wilcox announced that he was summoned to the Circuit Court and a recess until the afternoon, would have to be taken. However, before going, Judge Wilcox took occasion to refer to the remark of Attorney Humphreys in which he stated the same treatment as that given white women should be given Hawaiian women by the Court. He preferred that Mr. Humphreys would put on his other witnesses. Judge Wilcox stated that he saw no occasion for such a remark. His past record should certainly show that he had never shown any partiality.

Attorney Humphreys replied that, since the remark had been made in the heat of argument, the Court was taking up a great deal of time to be offended. He would rest his case and not put another witness on the stand.

Judge Wilcox here declared a recess.

Nominations for Senator will close at 4 p. m. on Monday next, leaving ten clear business days before the date of election.

## CHURCH DIRECTORY.

REORGANIZED CHURCH OF JESUS CHRIST holds meetings as follows in Millam Hall, rear of Opera House: Sunday 10 a. m. Bible class; 11 a. m. preaching in Hawaiian; 6:30 p. m. preaching Hawaiian; 7:30 p. m. preaching in English; Wednesday 7:30 p. m. prayer meeting.

## FOREIGN JURY ACQUITTAL

Third Criminal Trial and Government Losses Three Times.

Cross Dog Prosecution Case—Judiciary Department Will Pay Respect to Judge Widemann's Memory.

An order to show cause on application for leave to sell real estate has been issued in the matter of the estate of Manuel A. Barete, deceased.

There will a closure of the whole Judiciary department tomorrow out of respect to the memory of Judge Widemann.

Thrum, Wm. Savidge, C. H. Clapp, Seely I. Shaw, G. A. Schuman, D. T. Easley and T. S. Douglas. E. P. Dole for prosecution; Humphreys & Gear for defendant. This is the third criminal case tried this term and the Government loses for the third time.

Judge Perry is hearing the malicious prosecution case of Alfred Roche vs. C. W. Dickey. It relates to a dog case in the District Court. W. A. Henshall and C. Creighton for plaintiff; Lyle A. Dickey for defendant. The jury empaneled are F. J. Kruger, J. W. Robertson, J. B. Gorman, A. C. Davis, Geo. McNicholl, J. S. Martin, Geo. Angus, George Klugel, C. R. Collins, G. Schuman, D. W. McNicoll and Jas. McInerney.

#### Handsome Homes.

C. B. Reynolds is about to erect two handsome two story houses on his spare lot in Green street. The Enterprise Mill Company has the contract. Mr. Traphagen is the architect, and the plans show that the houses will be an ornament to the neighborhood. They also give assurance of the utmost comfort and convenience. Both the houses will front on Green street.

#### Old Inhabitant Gone.

Antone Jose died at his home in Wyllie street yesterday at the advanced age of 85 years. He was attended by Dr. Wood, who gives the cause of death as old age. Jose was a native of San Jose Island, Azores, and used to be a servant of the late John T. Waterhouse, Jr.

The clock on the Judiciary building is showing contempt of court by telling anything but the truth.
